Alex Dombrow represents employers in employee benefits and executive compensation matters.

Employee Benefits and Executive Compensation

Alex's experience in contract drafting and review, ERISA compliance, fringe benefit issues, and handling withdrawal liability matters is the primary focus of his work for mid- to large-sized companies. He also specializes in executive compensation issues, including the design, drafting and administration of qualified and non-qualified retirement and welfare plans for taxable and non-taxable entities.

Employment and Labor

Alex has counseled on various employment law matters including employee handbook design and distribution, and collective bargaining.

Litigation
