Angela Alvarez Sujek is a member in the firm's Intellectual Property practice group. Her practice is focused on trademark and copyright clearance, prosecution, and enforcement; advertising and marketing; licensing; and corporate transactions involving intellectual property assets. In addition, she has been a member of a number of litigation teams involving both trademark and copyright issues.

Angela has handled international trademark protection and enforcement for a number of large portfolios in the automotive, manufacturing, financial, food services, and medical device industries. She has handled numerous contentious actions at the TTAB.

Angela frequently educates/counsels clients on development of works of authorship in particular navigating copyright laws in clients' business activities.

Angela has represented a premier automotive brand in connection with advertising issues and right of publicity issues arising in production of a short film. She has also represented an NFL team in trademark enforcement and right of publicity matters. Angela has negotiated significant trademark licenses
